## Childhood Hunger in Ionia and Montcalm Counties

Childhood hunger is an epidemic affecting over 16 million children in this country. That is **1 out of 5** children! Hunger is closely related to food insecurity, or the limited or uncertain availability of *nutritionally adequate and safe* food.

⇒ Ionia County has 8,660 food

insecure residents.

**3,530 are children!**

⇒ Montcalm County has 9,780 food insecure

residents.

**4,090 are children!**

Hunger prevents children from reaching their full potential and threatens our future.

## IM Kids 3rd Meal: Local Solution to Childhood Hunger

IM Kids 3rd Meal is a feeding program that provides daily evening meals to children in Ionia and Montcalm counties. Each 3rd meal contains five food groups and approximately 1,000 calories, ready-to-be-consumed five nights a week. This endeavor requires **A LOT** of community support from people like you! Our partnership with *Feeding America West Michigan* allows us to purchase bulk food quantities for cents on the pound, and with personal food donations and community food drives providing added support.

### **Volunteers Needed!**

Volunteer groups are needed Monday through Friday to help prepare and deliver the 3rd meals to area schools. The 3rd meals are prepared at the H.O. Steele Education Center in Fenwick, Michigan (conveniently located between Ionia and Montcalm counties on M-66). If you are interested in volunteering, please call us at 616-225-7264 or sign up through our website at [www.imkids.org](http://www.imkids.org)
